Community Ed. Helps All

A cake decorating class was held in the Spring.

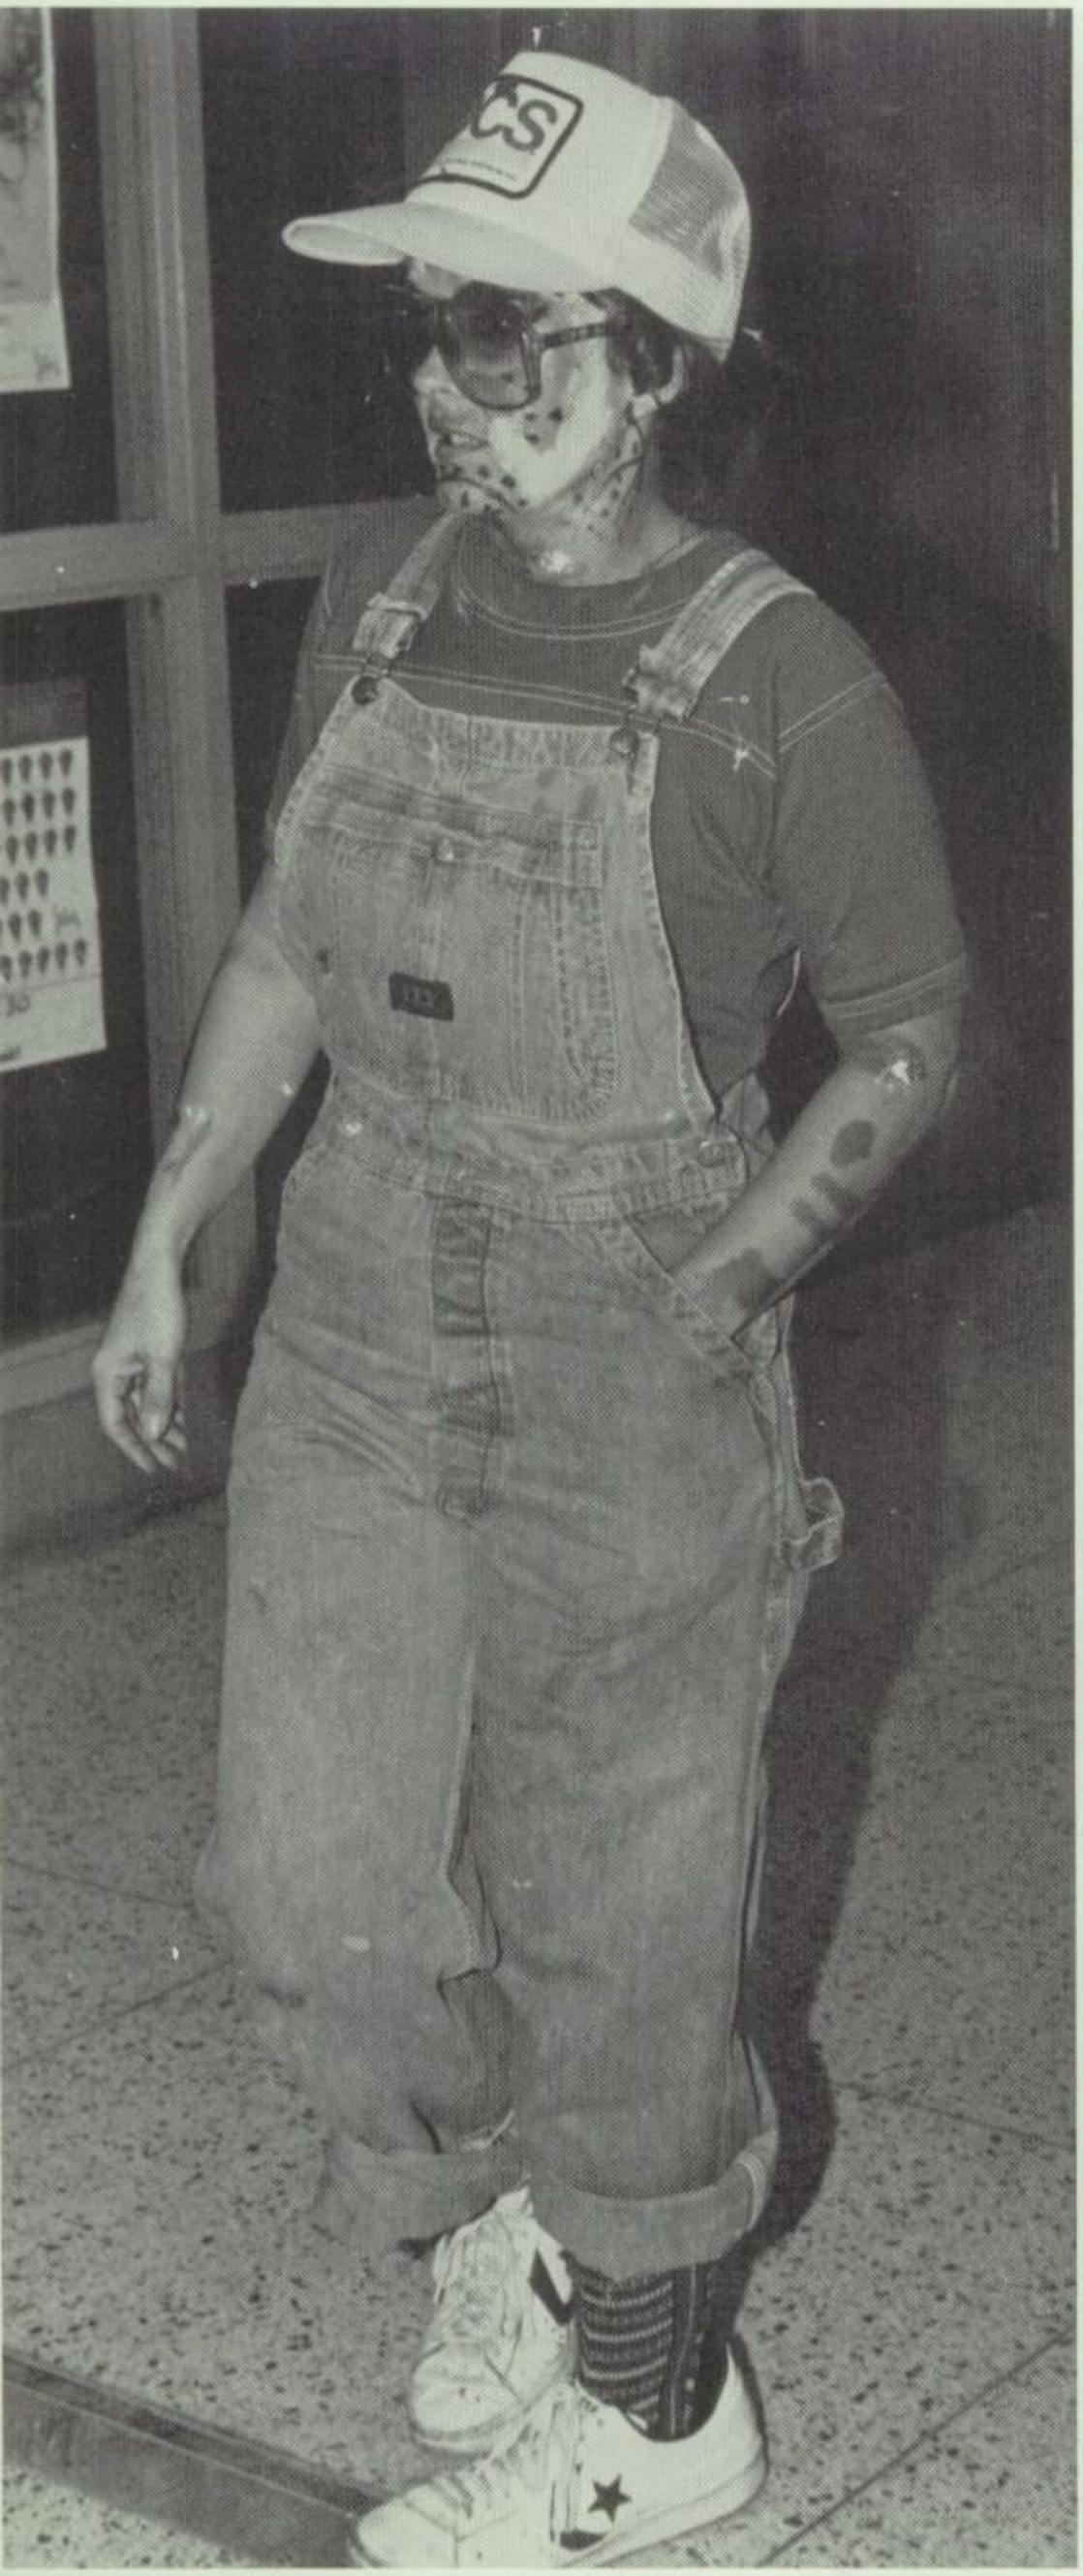
Community education hopes to support the K-12 school program by involving parents and teachers alike to improve education for both children and adults. CELAC can organize many different classes and activities if requested. Some offered this year were photography, GED programs, and English is a second language course.

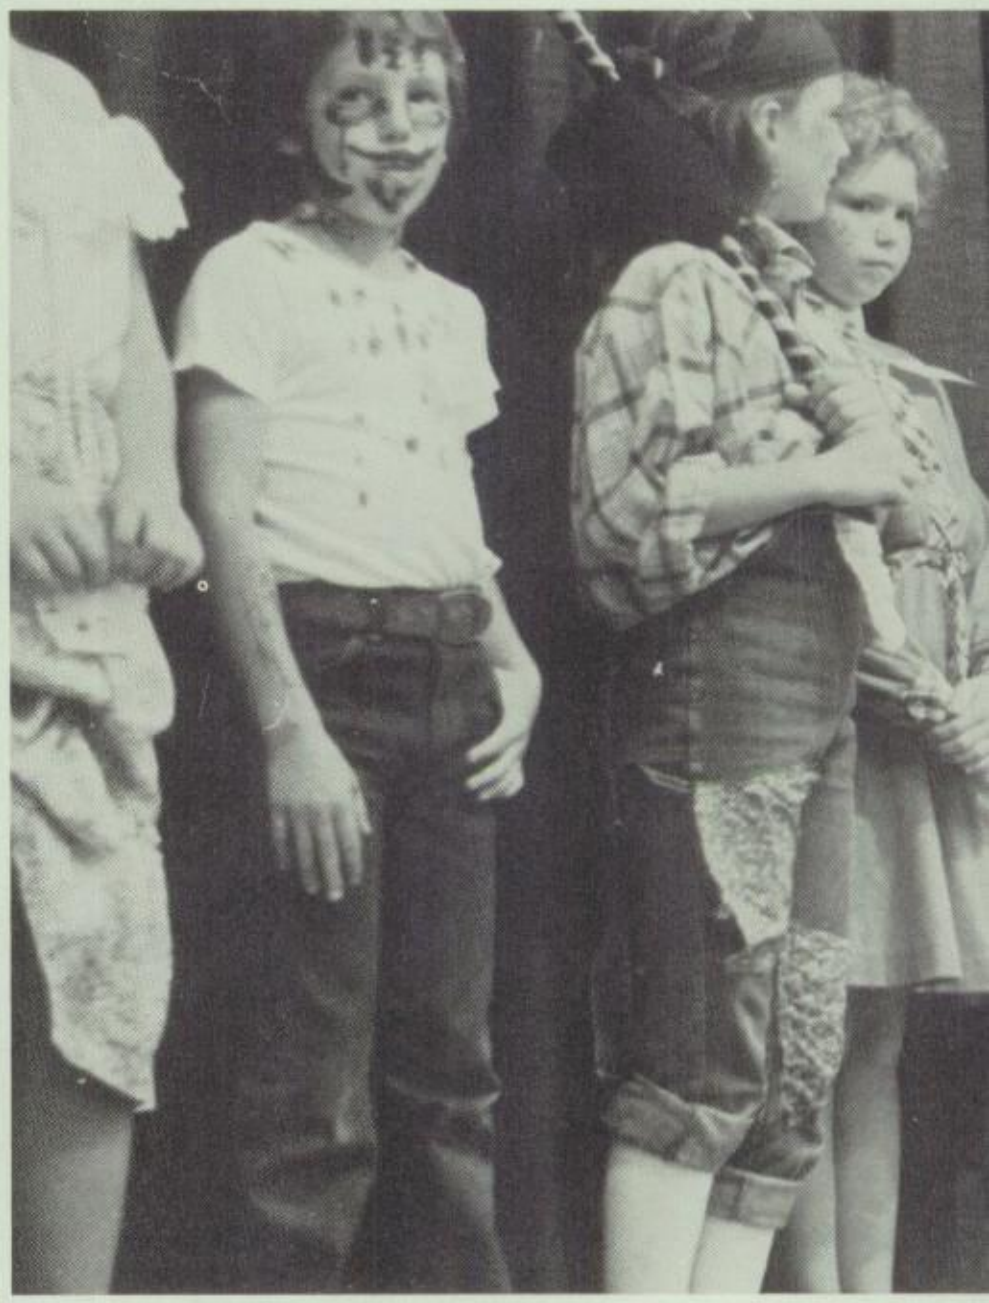
According to Director Frank Hyde, the greatest challenge of all arises when dealing with the community as a whole. The program hopes to deal with problems like changing the outlook and attitudes of the people.

With collaborative and cooperative efforts, CELAC helped people in the community cope with problems and deal with higher education.

JoAnn Clayton taught a GED Class.

Lovelyn Jeans instructed a gymnastics class for young girls.





Schools Benefit From PTA Activities

The PTA sponsored activities to help the Corrigan schools. Parent volunteers from the PTA helped aide at the Elemtary school as one activity. Another activity sponsored was a fund raising project, with the money raised donated to the schools.

An I.B.M. electronic typewriter was bought for the High School from the money raised. Both the Intermediate and Elementary schools divided the $1560 given to each school equally among the teachers so that learning aids could be purchased.

The PTA officers of the 1982-83 school year were: President — Kathy Parham; Vice-President — Bonnie McDonald; Secretary — Virginia Hughes; and Treasurer — Ann Standley.

Activities fill Seniors' final days

Graduation seemed a reality when seniors received their memory books and invitations in late April. The memory books were circulated among fellow students and teachers for good luck wishes and hopeful statements of bright futures. Much of the seniors' spare time was spent addressing the invitations to be sent out to friends and relatives.

The first week of May, honor students were announced. John Clifton was named valedictorian and Karen Platt was named salutatorian. Dwana Saxon and Deidre Bryan were named honor graduates.

Practice for graduation was begun in the sultry May heat on May 24. For two days the seniors practiced marching in, sitting and standing together, removing hats, receiving diplomas and exiting under the direction of Supt. J. R. Cockrell.

A bar-b-que in honor of the Senior Class was given at noon on the final practice day. The meat was purchased by the class and Dick Skinner cooked it. Mrs. Eva Lee Bell furnished all the fixings in remembrance of her daughter, Belinda Bell who was a former classmate of the Class of '83. Guests at the luncheon were teachers and administrators.

Commencement Held May 27

Bulldog Stadium was the site of Commencement Exercises, May 27 at 8 p.m. A total of 62 seniors marched across the field to receive their diplomas while the band played the Processional.

Small staff struggles to complete '83 book

The work on this year's **Blue Quill** began in June, 1982. During the summer they met and discussed the theme for the annual. Finally they decided on "Check It Out" for the theme.

Because they were unable to attend Journalism Camp, it was more difficult. By the end of the summer they had a good idea of what publishing an annual entailed.

As a small staff of six they soon realized the responsibilities of meeting deadlines, writing copy and headlines, taking pictures, drawing dummy layouts and quad packs, and making the necessary decisions to produce one of the best yearbooks ever.

The people that worked on the yearbook were Deidre Bryan, Tammi Lawson, Lane Clayton (photographer), April Almond, Andrew Sirman (photographer), Sharon Roberts, and Cheryl Donaldson.

Yearbook advisor was Carolyn Elmore.

Physical Improvements Among Board Actions

1983 proved to be a busy year for the School Board. Physical plant improvements totaling $140,000 were on-going throughout the year. Both the High School and Elementary schools were re-roofed along with the Field House. Because of overcrowding conditions on the High School and Intermediate campuses, four temporary classrooms were constructed. The bus drive at the High School was paved.

Other activities occupying the Board included work on tax reappraisal and revising the school policy manual. In getting ready for the accreditation visit, the board made revisions in the five-year curriculum plan for the district. The board employed for the first time a curriculum director, Jacob Sherman and a curriculum supervisor, Mrs. Dot Robbins.

W. B. Andrews, Board president for 9 years, retired from Board service after 19 years. Alton Burris was elected president.

The School Board met on the first Thursday of each month.

Monitors Keep Principals Busy

All theee principals were kept busy most of the year getting ready for the monitoring visit by the Texas Education Agency Monitoring team. The principals were accountable for seeing that the steps in the monitoring guide were implemented. Some of these steps included making sure that teachers were assigned to classes in which they were certified; making sure each class had the proper number of students; distributing curriculum guides to all subject areas and making sure they were being followed through lesson plan checks; assuring that each course had the state accredited number of minutes.

According to the "Personnel Practices Manual" of the district *Teacher's Handbook*, some of the duties of principals include planning, safety, school program, finance, inventory, scheduling, staffing, evaluation and recordkeeping.

Elementary Principal, Mrs. Mary Bolton worked hard at her job.

Mr. Sam McDonald, High School Principal, explained the pre registration to the juniors.

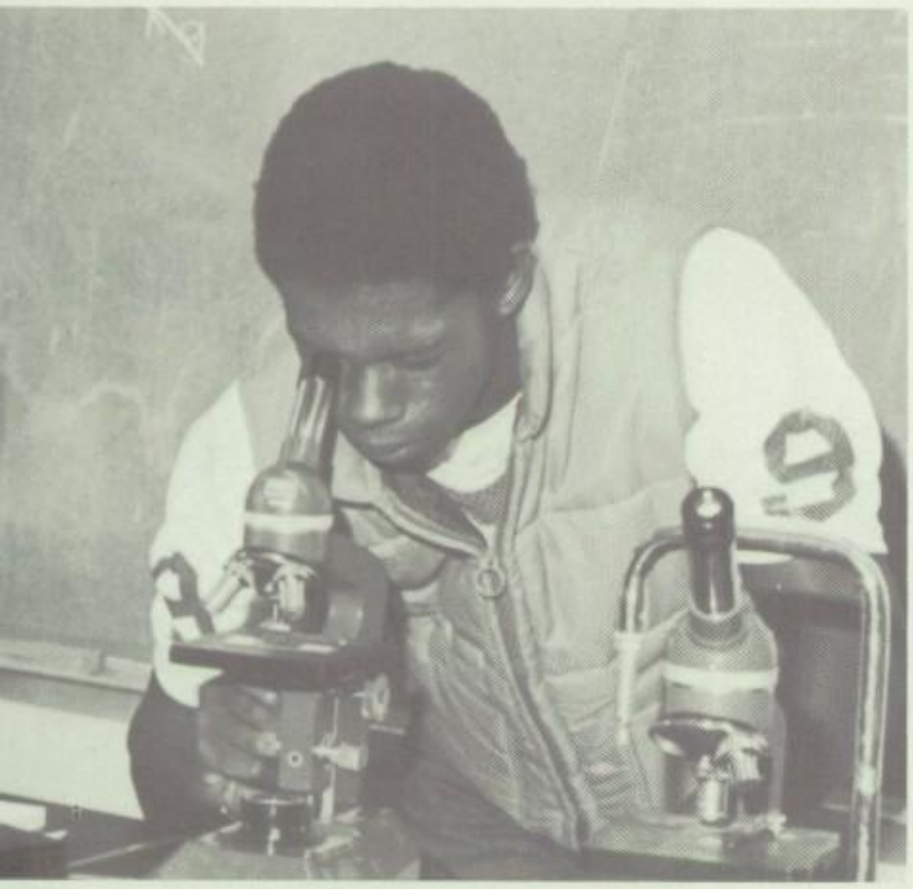
CHECK OUT THE ZANY FACES



"Magic Christmas Bell" performed

Approximately 175 elementary students participate in the traditional elementary Christmas program this year. The title of the program was "Magic Christmas Bell."

It was the group effort on the part of the elementary staff that got the program on its feet. Teachers spent a lot of extra time helping students with their parts as well as helping parents with getting costumes together.

Parents had a lot of work to do to help make the program a success, too. They also did a lot of work on the background for the program.

Parents and teachers had important parts but the student had what most people would consider the most important part; memorizing their lines, songs, and dances.

There were 18 groups of children in the program this year. Some of these groups were the Swedish Children, Scottish Children, Dixie Dolls, Chinamen, Japanese Ladies, and Smurfs.

The three main characters were Santa, played by Jerry Trahan; Nimble, played by Yasmine Eleby; and Wimble, played by Suzanne Nerren.

The play was under the direction of all of the elementary teachers and the music was played by Markeye Adams, Kindergarten teacher.

When asked how she felt about the play, Mrs. Adams said, "All in all the blood, sweat, and tears are worth the pride you feel the night of the performance."

"As a rule everything goes smoothly with the students, parents, and teachers, but there are snags occasionally," says Mrs. Adams. "Of course when you're dealing with humans you are going to have snags."

The play was performed on Wednesday, Dec. 15 in the C-C Cafetorium at 7:30 p.m.

Junior High Cheerleaders Raise Money

The Junior High cheerleader's duties included cheering at all junior high and junior varsity football games and all home basketball games. The girls had a bake sale early in the year to pay for having their names put on their blouses. They also helped the varsity cheerleaders out by selling football programs at all varsity home games. Their major money-making project was selling "Bulldog" mugs.

Varsity cheerleaders complete busy year

Varsity cheerleaders began their year in June by practicing cheers and exercising three days a week under the supervision of sponsor Carolyn Elmore. All six girls and the sponsor attended the NCA cheerleader camp in Nacogdoches the week of July 4-9.

During the camp the girls learned new cheers, dance routines, chants and acrobatics. The girls returned to Corrigan filled with enthusiasm and spirit for the year.

During two-a-day football practice the girls served punch and popsicles to the players. Varsity cheerleaders also sold advertising for the football programs.

The girls attended practice during football season each week night where they made signs, filled sacks full of goodies for their varsity football player secret pals. This year varsity cheerleaders were required to be passing all subjects each week in order to perform.

Varsity cheerleader duties included working at all home basketball games and track meets.

FOOTBALL

'Dogs adjust to new techniques

The NEW Corrigan-Camden Bulldogs found out the hard way what it's like to learn a completely new offense and defense in just a few short weeks. The Bulldogs had never even seen the innovative offense or defense introduced by incoming athletic director Bill Almond and defensive coordinator William Alvarez.

After a close-to-disastrous pre-season schedule with only one win before district, the Bulldogs went to work on preparing a game plan for Lovelady, the first district contest. Coaches and players pulled together to manage out a 6-0 victory over the Lions of Lovelady. Defensive drills paid off in the endzone when cornerback Herman Graham deflected a Lovelady pass into the awaiting arms of middle lineback Billy Foxworth, who returned it to the 22-yard line. The offensive line came to life when three plays later tailback Darryl Gilder took a pitch out, and then literally outran the defensive squad 70 yards for a touchdown to give the only score of the game. The Bulldogs were backed deep in their own territory in the third quarter with 11 yards to go for a first down. Coach Almond called punt, but a bad snap gave Lovelady a chance to rush. Punter Milton Watts got control of the ball and took it down the left sideline for 14 yards and a crucial first down. A fumble in Lovelady territory gave Lovelady a last chance to come back. They drove to the 3-yard line, but a bone-jarring tackle caused a fumble, and the Bulldogs ran out the clock.

Coaches and players went to work the following week on a game plan. Films were studied, defensive keys were assigned to players, and offensive linemen had new blocking techniques. This game would be against a so-called district Titan, the Grapeland Sandies. The Bulldogs drove to the 25-yard line on their first possession. A perfectly executed fake field goal by kicker Bob Rowe resulted in the 'Dogs first score. With the Sandies deep in their own territory, defensive tackle Kenneth Cole intercepted a Grapeland pass and ran it 6 yards into the end zone. Two touchdowns (one, a 40-yard Johnson to Rowe pass, and the other, an 18-yard Foxworth romp) sealed the second district Bulldog victory.

An emotional high was not enough to carry C-C to victory over a state semi-finalist Groveton squad. Foxworth's 8-yard run to score occurred late in the game. The game ended 41-8.

All hope for a playoff berth ended in a shut-out at Trinity, 20-0.

The season's finale, however, ended encouragingly at New Waverly where the maroon Bulldogs were beaten 28-6 by the royal blue Bulldogs. A ball control offense combined with a stingy defense gave C-C a 14-0 halftime lead while holding New Waverly to 6-yards total offense. A controversial center sneak positioned New Waverly on the C-C 3-yard line, but a pad-popping hit caused a fumble and enabled a C-C T.D. by Ronnie Lambright.

Junior linebackers Terrill Purvis (11), and Billy Foxworth (44) deliver a blow en route to a 6-0 district shutout of the Lovelady Lions by the Bulldogs.

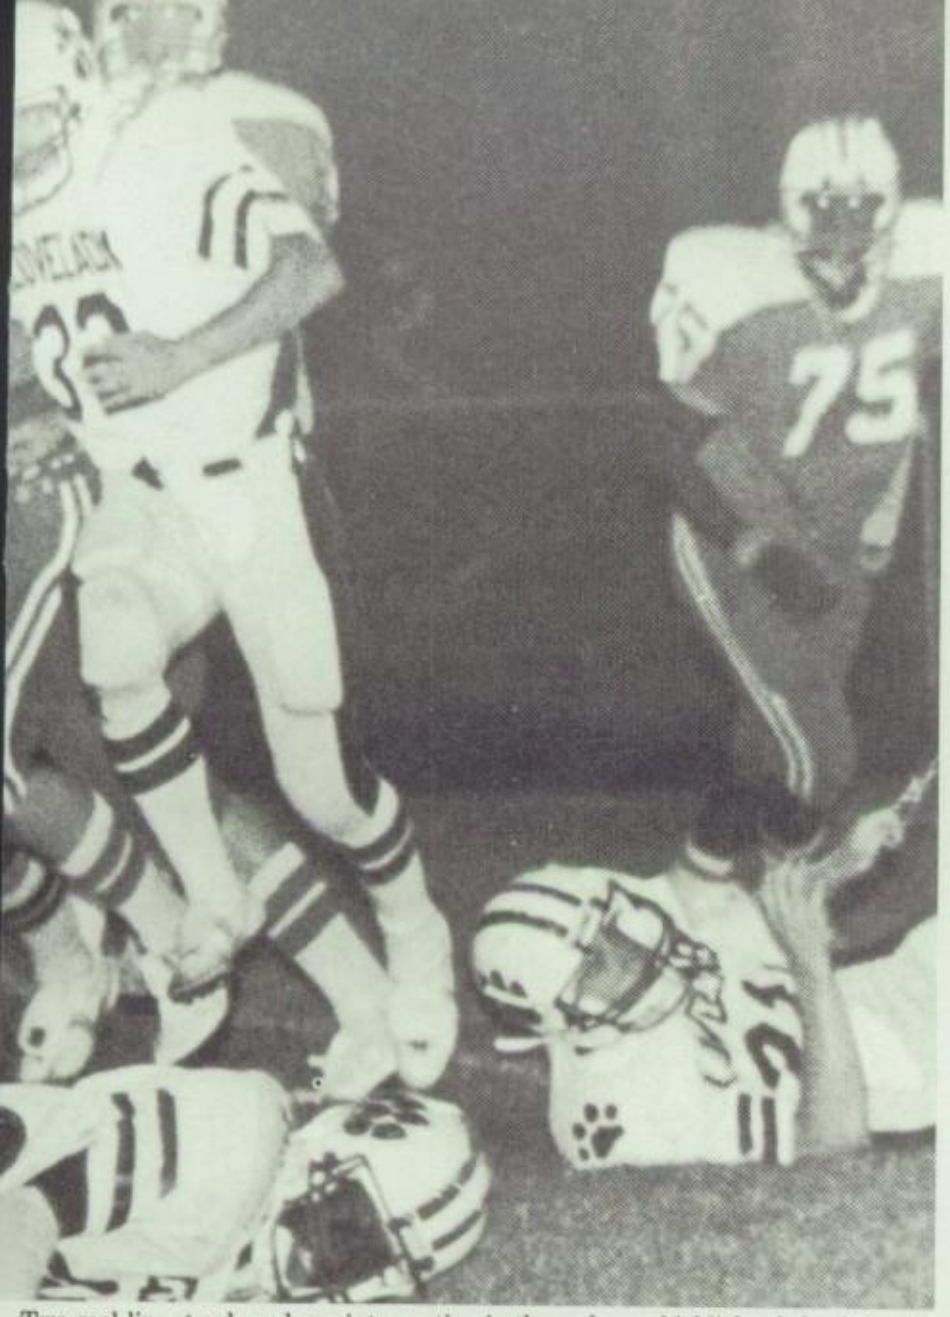
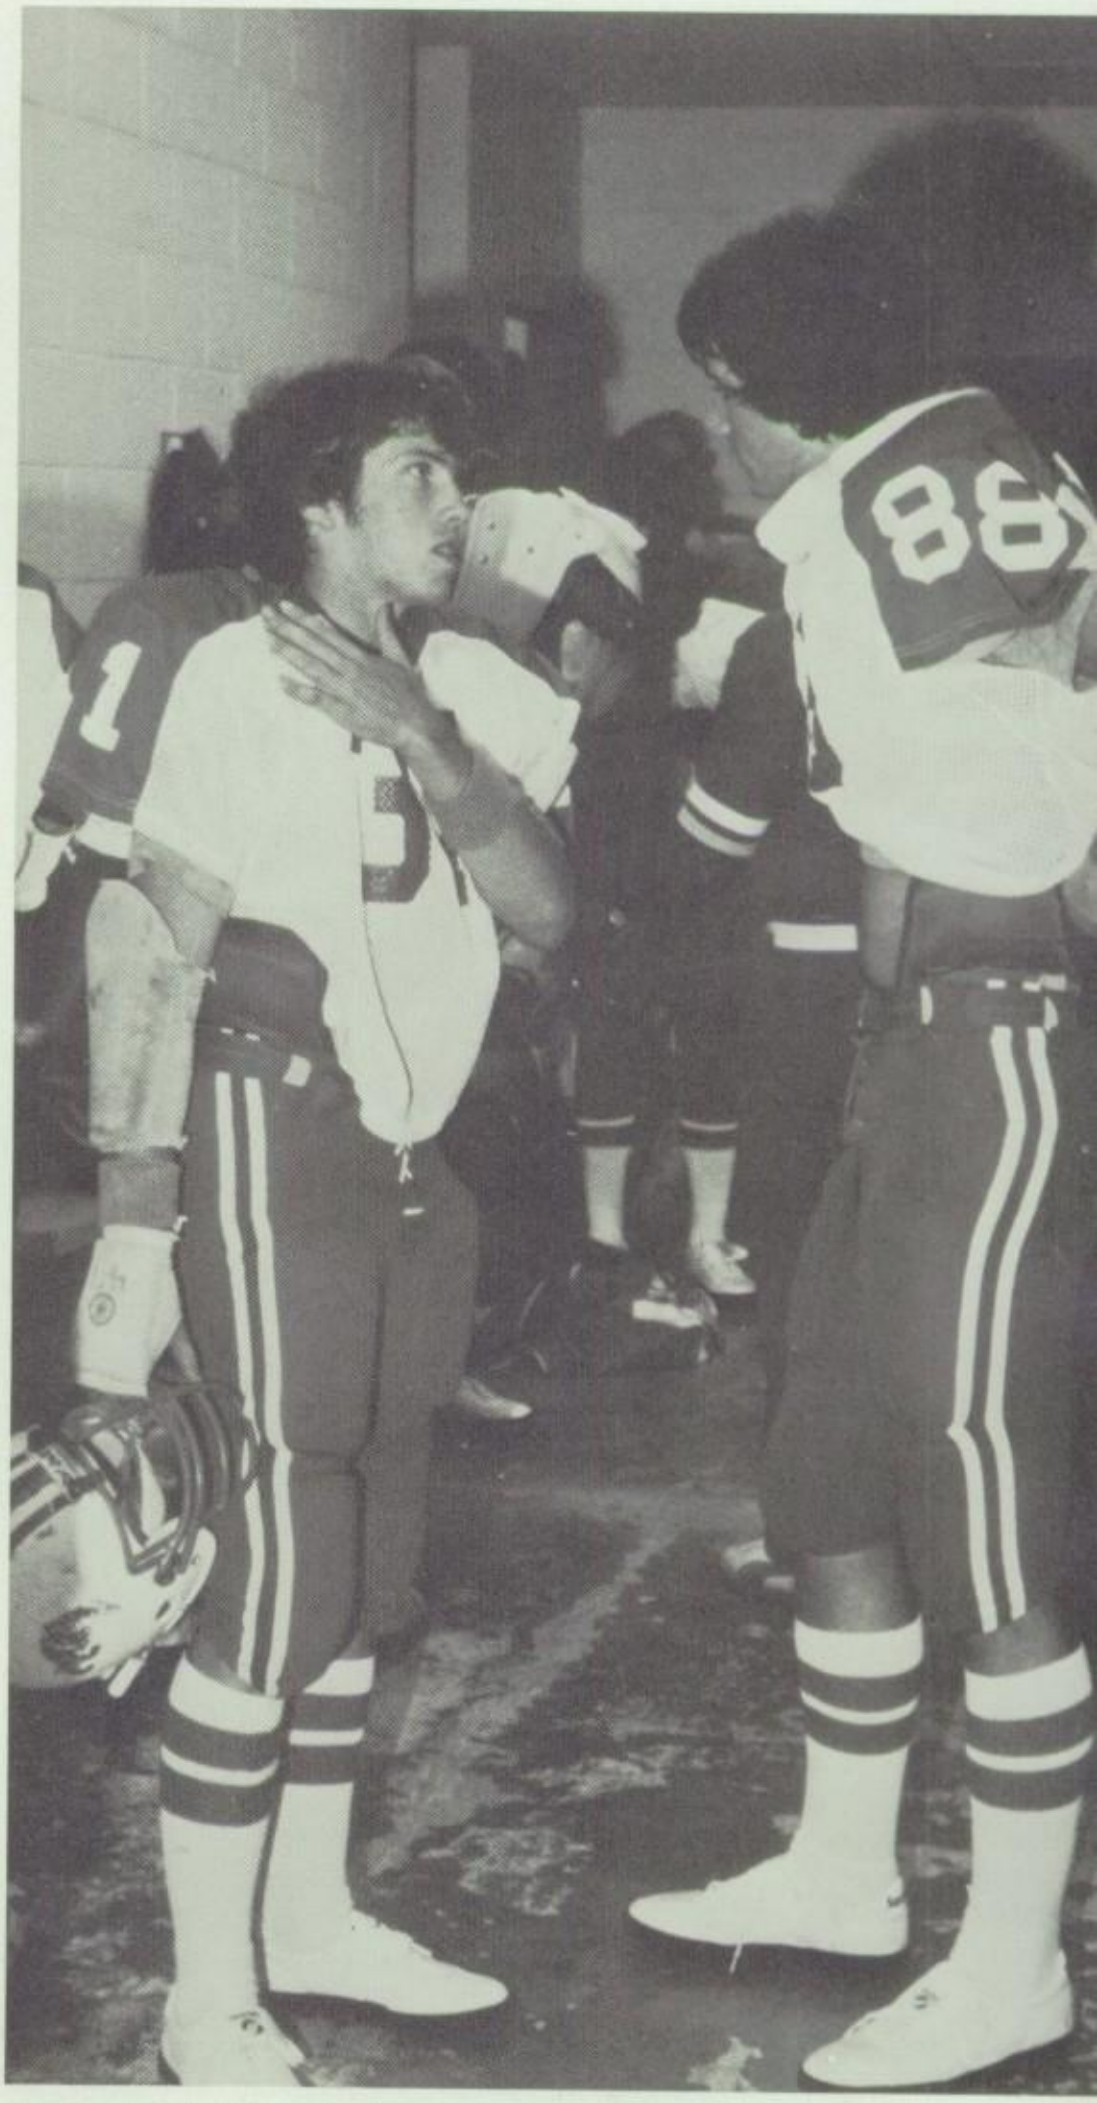
Clayton Johnson, 20, broke for 12 yards before fumbling on th 6-yard line in this play against the Lovelady Lions, Oct. 8.

Above: Safety Bob Rowe, 32, caught up with this New Waverl running back to save a score. Left: quarterback Darryl Gilder, sprinted through a wall of tacklers to score against the Dibo Lumberjacks.



Two goal-line stands and one interception in the end zone highlighted the defensive surge that gave the Bulldogs their first district victory, 6-0 against Lovelady.

William Deason, 9, experienced close encounters of the tackling kind against the New Waverly Bulldogs.



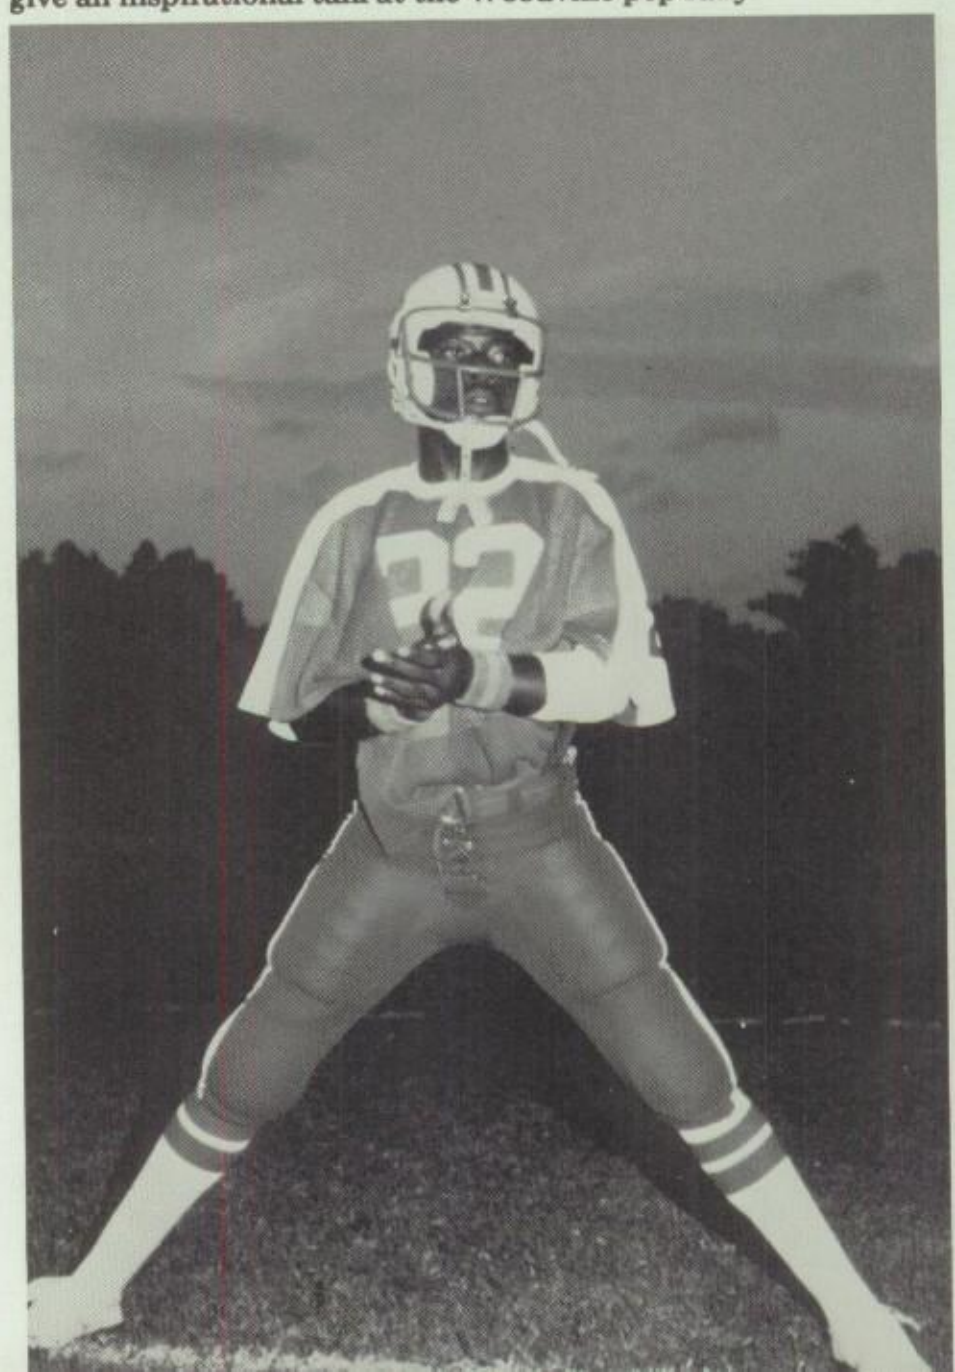
Linebacker Art Pennington, senior, and defensive end Ronnie Lambright, senior, discussed half-time statistics during the Huntington game, Oct. 1.

Bulldogs post 3-2 district record

All-district fullback and middle linebacker Billy Foxworth took a well-deserved water break during the action in the Huntington encounter.

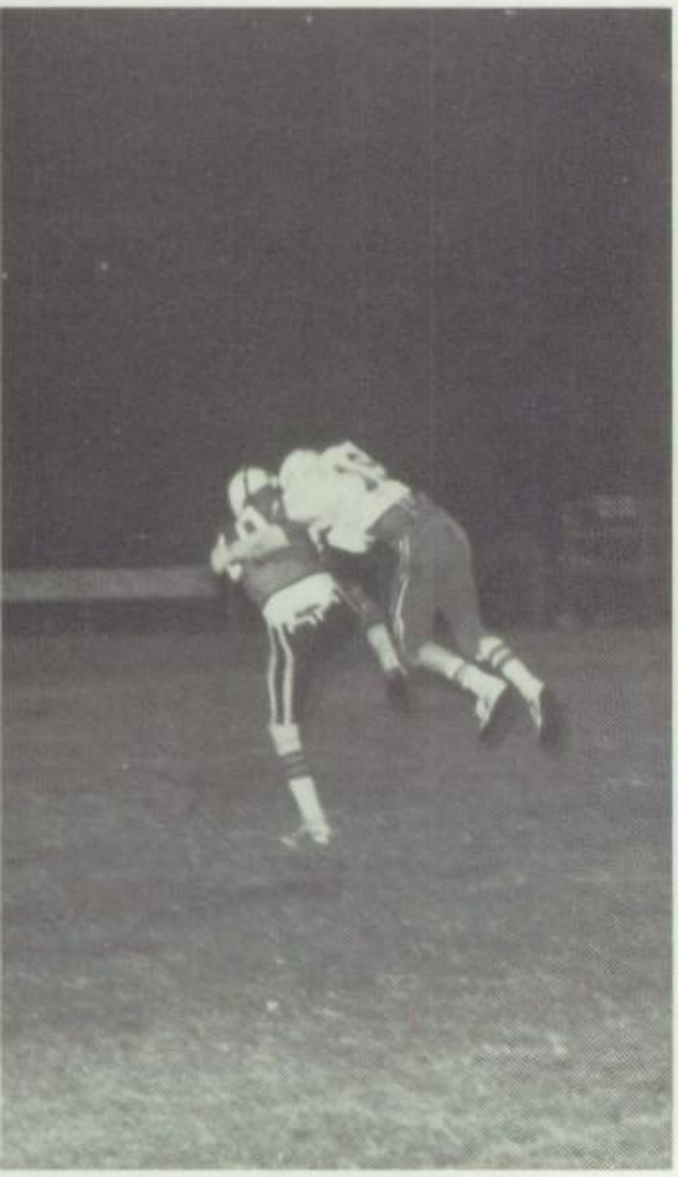
Herman Graham, cornerback, loosened up with warm-up exercises before playing Huffman.

Head Coach Bill Almond called on science teacher Ed Ray to give an inspirational talk at the Woodville pep rally.



Kenneth Cole (71), all district tackle, trips an unidentified Woodville Eagle back.

Clayton Johnson, 20, swept around left end while being pursued by Michael Horace, 40, of Groveton.



Jimmy Wright, senior, showed why he was chosen all-district defensive end in the 28-6 victory over New Waverly.

Bulldog spirit was evident during the impromptu parade and pep rally in downtown Corrigan preceding the Groveton game.

Family members of the late Coach Phil Bennett announced the Phil Bennett Memorial Scholarship at the first football game.

Boosters, District Honors, Off-Season Featured in '83

Debbie Gilchrest was honored by Art Pennington and Jimmy Wright as Mom of the Week.

Coach Almond asked Band Director Byron Shelton to give a few comments at the Groveton pep rally.

Along with the new head coach, the new Bulldogs and a new theme "We Believe", came a more involved Corrigan-Camden Booster Club. The Booster Club initiated a program involving athlete's parents, **Coach of the Week** and **Mom of the Week.** During each Monday night meeting there would be a drawing for that week's Coach and Mom of the Week.

The week's honories were announced Friday at the pep rally. That night the Coach of the Week would ride on the bus with the football team on away games, stand on the sidelines during the game and send in one play.

The Bulldog Club was a select group of athletes who perform outstanding defensive accomplishments in one game. To make the Bulldog Club a player had to accomplish three of the following five things in one game: recover a fumble; intercept a pass; catch two behind the line of scrimmage (CBL's) block a kick; make ten tackles.

The Bulldog Club generated much interest among the players this year and the '82 Bulldogs who made the club were seniors Kenneth Cole, William Deason, Larry Smith and junior Billy Foxworth. These players made the club twice. Seniors Jimmy Wright and Ronnie Lambright each made it once. Those making the club received a star to go on the sleeve of their game jerseys.

After the 1982 football season 14 Bulldogs were selected to the All-District team, those selected were: **1st team offense** — Kenneth Cole and Billy Foxworth. **2nd team offense** — Walter Fortune and Ronnie Lambright. **Honorable Mention** — Cody DuVall, Kevin Cole, Bobby Rowe, Clayton Johnson and Darryl Gilder. **1st team defense** — Jimmy Wright, Larry Smith and Billy Foxworth. **2nd team defense** — William Deason, Clayton Johnson and Darryl Gilder. **Honorable Mention** — Ronnie Lambright, Art Pennington and Herman Graham.

A new off-season was introduced this year to improve speed, agility, endurance and strength.

Some of new programs being tried are: running ropes, running around cones to improve agility, weight lifting (purchased by Booster Club) and running several "Bulldog Quarters" (one lap around the track within a certain time).

During the off-season Head Coach Bill Almond took his third period athletics group to Orangefield to watch their off-season workout.

They left Corrigan at 11 a.m. and arrived at Orangefield at 1 p.m., about 30 minutes before their athletic period began. The Orangefield athletic director, Coach Peveto, gave them a talk on what they were trying to accomplish in off-season. The athletes began arriving and started going through work-out stations. The Orangefield athletes took it upon themselves to force each other to work hard and did not talk, except to encourage others and some times to chastise them.

The C-C athletes were so impressed by what they saw that they came home and began a program very similar to theirs. Every athlete who made the trip came back with a different attitude towards hard work and dedication.

"The boy's varsity basketball team had a very disa-pointing year," explained varsity player David Phillips.

The boys started out with only one starter from last year's team. Because of this it was very difficult for the team because they weren't familiar with the system which Coach Richard Wright used.

"If we would have had the guys on our team that originally started playing this year the title of district champs would have been assured. Due to disciplinary reasons, three of our team members, Gary Horn, Donald Jackson, and Kenith Jackson, were dismissed from the team thus diminishing our chances from the district title. Bulldog's district hopes fade as season ends

The Corrigan-Camden Bulldogs have won the district 22-AA baseball championship for the last two years in a row, but this year was a different story.

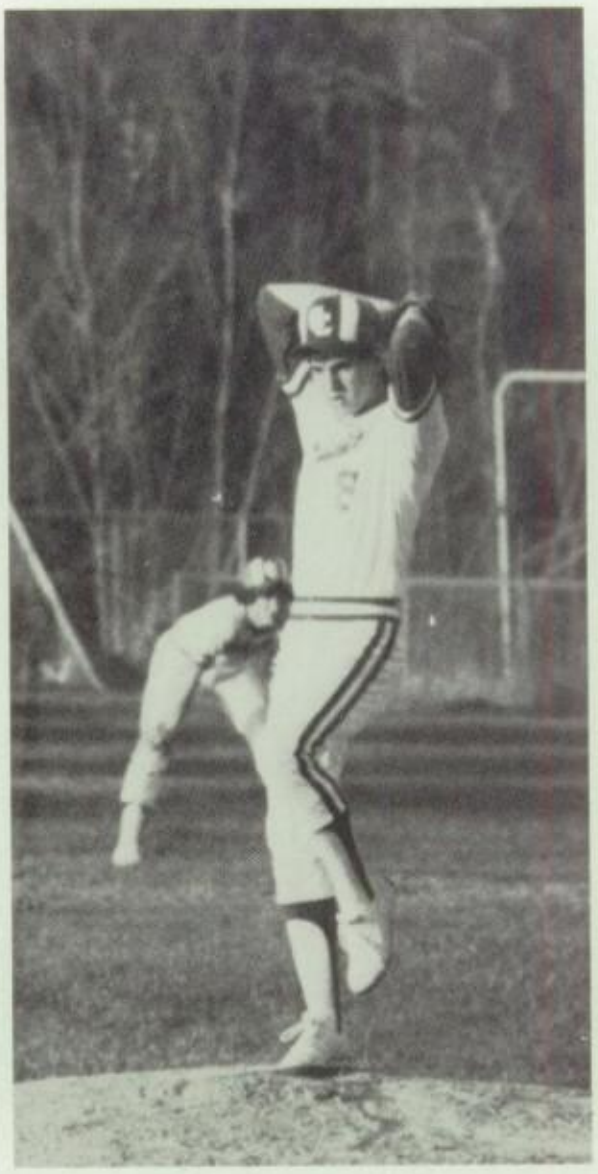
The Bulldogs started off the season on March 1 by splitting a doubleheader with Livington, winning 7-3, and losing 5-1. The next scheduled game with Splendora was canceled due to rain. Then the Pirates of Shepherd came to town and were beaten 8-1 as Bobby Rowe pitched a 1-hitter. The Bulldogs were to next participate in the Livingston Tournament, and in the opening round Corrigan was overconfident about playing Lufkin J.V. and were handed a 10-3 loss. C-C regrouped the next day as Bobby Rowe blasted 3 consecutive home runs and Milt Watts had a solo blast to defeat Trinity 8-6. C-C was slated to play Huntington for the consolation bracket trophy, but were beaten 10-6 as the Bulldogs fell victim to their own errors. Livingston traveled to Corrigan to try and get even but were again beaten 7-4. Then on to Shepherd and another dose of over-confidence caused C-C a sound whipping 15-4. Corrigan was a little down as they began the Evadale Tournament, but 2 home runs by Bobby Rowe and 2 home runs by Ronnie Lambright, one inside-the-park, lifted C-C to a 9-0 defeating of Spurger. Corrigan was on an emotional high as they had the "honor" of playing last year's state finalist, archrival West Sabine. The Bulldogs played an almost flawless game as they got revenge 12-2. C-C then played host team Evadale for the championship, but were sidetracked 8-5 despite HR's by Bobby Rowe and Milton Watts, but still won second in the tourney. In the final non-district game the 3A Diboll Lumberjacks pulled it out in the 7th inning to beat C-C 5-4.

Sporting a 7 wins 6 losses non-district record, C-C entered district 22-AA play on March 29 by humiliating Lovelady 16-2. Kennard then came to Corrigan and took home a good whipping 26-2. Being fired up was not sufficient enough to overcome their own errors as C-C gave archrival Grapeland 8 unearned runs en route to a 8-0 whipping. C-C then traveled to Trinity and clipped the Tigers 3-1 on a 2-hit pitching performance by Bob Rowe. The next game with New Waverly was cancelled because of the untimely death of Mr. Bookie Denham. C-C then went to Central and were ahead for 3 innings but finally fell victim to errors again, despite 2-run homers by Milton Watts and Terrill Purvis, and lost 19-9.

Although C-C lost 2 games in the first round, they were still in the district race.

In the first game of the second round, Corrigan eased by Lovelady 9-4, aided by another Bobby Rowe home run. Then on to Kennard and an easy 19-1 victory. The Bulldogs then went to Grapeland to play the Sandies. Despite gross unsportsmanship by players and fans alike, C-C battled to a 2-2 tie and the end 7 innings, the only runs coming on a Ronnie Lambright 2-run homer.

In the 8th inning, C-C pounded out 5 runs, starting with another Bobby Rowe solo homer. But the Sandies battled back with five runs of their own to tie it back up at 7-7. Unable to put any points on the board in the top half of the 9th inning, C-C took the field. Then a controversial home run by the Grapeland lead-off hitter, which appeared to hook foul before going out, gave the Sandies a 8-7 victory. C-C was down on themselves when Trinity came to town the next week, and barely squeaked by the Tigers 12-11.



J.V. Baseball Team

Then came a double-header with New Waverly, where Marty Thompson pitched 2 sparkling shutout victories, aided by yet another Bobby Rowe blast in the first game, and a Terrill Purvis inside-the-park homer in the second game, to blow-out the Maroon Bulldogs 15-0 and 10-0.

Going into the Central game it was crystal clear, that if C-C won, they would go to the playoffs. The Blue Bulldogs could only muster 4 hits and a Purvis score on an error by the Central catcher, as they watched all playoff hopes fade away, 9-1.

1983 was not as good a year as the Bulldogs have had lately, but there were some bright spots like Bobby Rowe's school record 12 home runs. The Bulldogs will return only two starters from this year's team as there were 7 starting seniors. But young players who did not receive much playing time this year will enhance C-C's chances for the playoffs next season.

Boys take district meet for 4th year

Elbert Allen helped Pat Milburn stretch out before running finals at the District 22-AA meet.

Fred Hamilton and Elbert Allen (fifth and sixth from bottom) make an exchange on the sprint relay.

The Corrigan-Camden Bulldogs started their track season on March 5, winning the Stephen F. Austin Relays held at Port Arthur.

The Bulldogs amassed a total of 114½ points, leaving 40 points between them and second place finishers East Chambers and Orangefield, who tied for second with 74 points.

The Bulldogs were only able to get 4½ points in the field events, but in the running events, the Bulldogs placed in the top four in every event.

David Phillips broke his old record in the 1600 m. run (4:37.9) with a time of 4:33.77 and Kenneth Cole broke the 12 year-old record in the shot put, held by Dunnis Jolly, (44′7″) with a throw of 44′9″.

The next week, the Bulldogs ran in the Ninth Annual Orangefield Bobcat Relays, which fielded 20 teams, C-C being the only school under 3A classification. The Bulldogs placed third with 62 points behind Jasper (4A) and Liberty (4A).

"Considering the number of 3A and 4A schools competing at Orangefield and the quality of the athletes participating, the Bulldogs did very well," said Coach Bill Almond.

Then the Bulldogs went to Hull-Daisetta to compete in the Seventeenth Annual Bobcat Relays. The Bulldogs came in second place overall with 64 points, behind first place Shepherd who had a total of 147½ points.

On March 25-26, the Bulldogs were going to host the Fourth Annual Bulldog Relays, but the meet was cancelled due to inclement weather.

April 1 found the Bulldogs in Madisonville for the Mustang Relays. The Bulldogs came in fifth with 48 points at the meet, which was hampered by dust and winds that averaged 25-35 miles per hour.

The Bulldogs then went to Jacksonville for the Sixth Annual Tomato Bowl Relays. The Bulldogs finished eighth out of 16 teams with 26 points, but the high point of the meet was that David Phillips had broken his second school record of the year with a 9:47.45 time in the 3200 m. run.

David Phillips, center, ran between 18,000 and 22,000 miles in his career according to Coach Rick Wright. David participated in the 3200 m. and 1600 m. events.

David and Pat — A Commentary

For the past three years, track fans here have been thrilled by the winning ways of seniors Pat Milburn and David Phillips. Each year, both have been state-ranked in their respective events, and they have participated at the state meet in Austin.

Ask anyone who follows track where Corrigan is and they will tell you. The success of C-C track in recent years has been due in large part to the well-disciplined skill and exceptional attitudes displayed on and off the track by these two young athletes. David and Pat have had a big hand in "putting Corrigan on the map" as a state-ranked school in track. People in the school and community are proud of them for the recognition they have brought home to C-C. They will be missed next year.

Varsity track members included: Kneeling: Cedric Gilder, Joey Almond, Elbert Allen, Juan Walker, Kenneth Cole, Roy Allen, Pat Milburn. Standing: manager Walter Thompson, David Phillips, Kevin Cole, Hal Hubbard, Darryl Gilder, Morris Taylor, Lane Clayton, Mike Hood and Pat Baker.

Pat Milburn could be recognized by his black shoes.

Girls Lose to Mart in Bi-District Bid

The C-C varsity volleyball season started out with a bang this year with a two game victory over Coldspring (8-15, 7-15). Through weeks of hard practice they managed to gain the title of district champs.

The girls attended several tournaments but somehow came out on the short end of the stick. Their joy and pride were shown through their actions as they warmed up for the bi-district game against Mart. They lost in a three game series (15-5, 6-15, 7-15).

Coach Debbie Chambliess was very proud of the team's performance. She felt that if they could somehow break the barrier of that bi-district challenge then the girls would have a good chance to advance.

Youth, inexperience plague girls' basketball

Girls plan to learn from costly losses

Unlike the girl's volleyball season, the basketball performances were much weaker this year. The girls had a tough time getting started this year and for this reason had a downfall this season.

The girls went through an off-season basketball training program last year and practiced very hard throughout the season. This hard work and those long hours of practice didn't pay off when it came to winning.

Coach Debbie Chambliess felt that through the lack of experience in the girls that everyone knew what to expect. She also felt that because of the lack of the experience for the varsity team, it was a much more competitive season than usual. There were only a few girls on the team who had ever played varsity basketball before, therefore making it more difficult to compete with other more experienced teams.

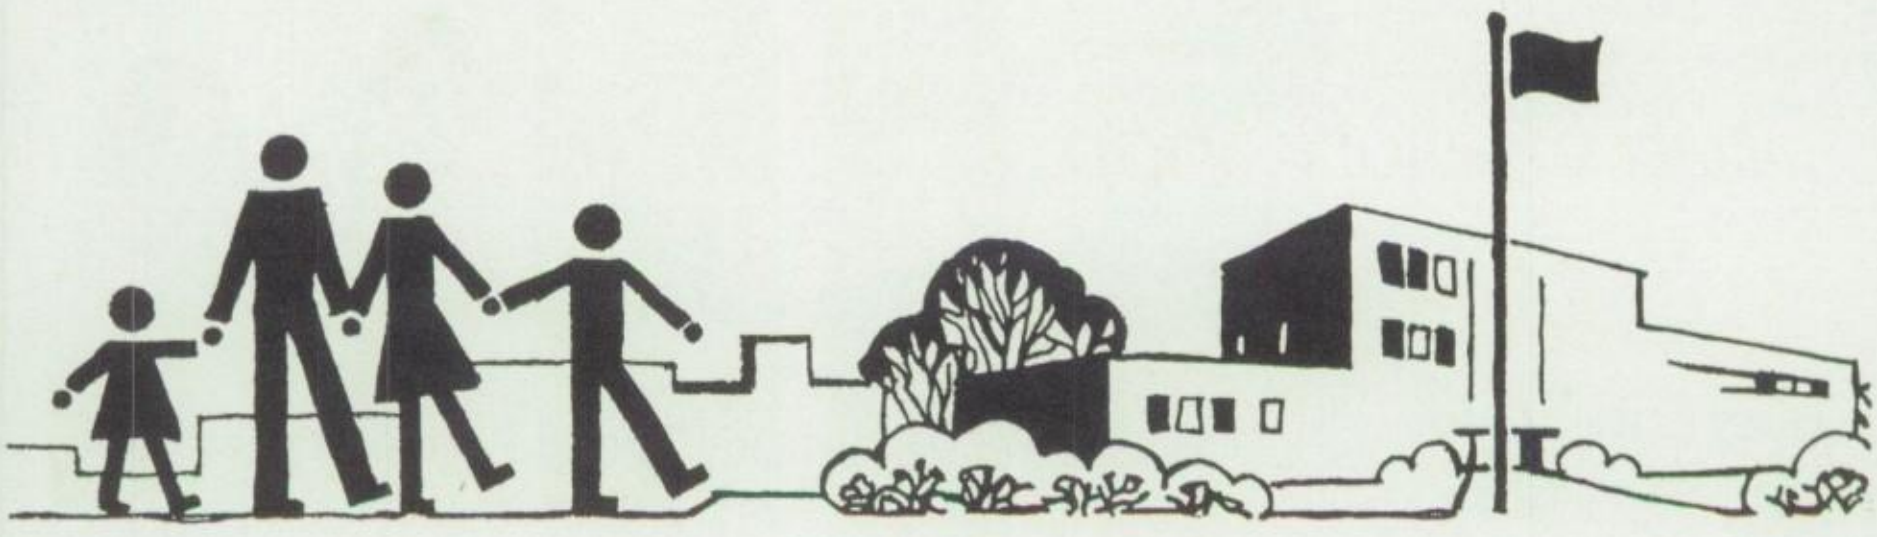
community education



COMMUNITY EDUCATION may be described as people coming together to identify needs, interests, and problems. By using local resources and skills, the community plans to meet these needs. It is people working together.

THROUGH COMMUNITY EDUCATION, people are able to make education relevant to their needs, while making their community a better place to live. The notion is gaining acceptance throughout Texas and the nation.

THE COMMUNITY EDUCATION CONCEPT is people planning to meet the concerns for all age groups. Agencies get involved, the regular school program is enriched, relationships between the school and the community improve, and, above all, peop;e are served.

In the summer of '82 we began planning and working on a yearbook that would depict the memories and highlights of our fina year at CCHS.

Though our staff was limited, we knew we would produce one of the best yearbooks ever. After discussing a range of ideas, we finally decided how we wished to design our yearbook.

We are indebted to many people who contributed their talent, time, and materials toward the outcome of this yearbook. Th[illegible] are: The *Corrigan Times* for their pictures; M[illegible] Bloxom for all the pictures he took for us; Marilyn Green, for the school photographs; Mr. McDonald for his understanding and cooperation; the faculties of the Elementary and Intermediate for their assistance in collecting information about the classes section; Mrs. Fann for the class rosters and additional items; Mrs. Spain and Mrs. DuVall for collecting money for yearbooks and distributing them; David Norman for his ideas and encouragement; and last but not least Carolyn Elmore, our advisor, for her help, guidance, patience, and the untimely adventures she took us on in the "Twilight Zone."
